# National Taxpayers Union Vote Alert

**NTU urges all Senators to vote “YES” on the following amendments to H.R. 1495, the Water Resources Development Act (WRDA):**

- **S. Amdt. 1076** – McCain/Feingold amendment to establish a commission appointed by the Administration and Congress to prioritize and assign water projects.
- **S. Amdt 1089** – Coburn amendment to require that certain federal funding be directed toward the housing needs of those displaced by Hurricanes Katrina and Rita before it is used to support a Visitors Center in Morgan City, LA.
- **S. Amdt 1090** – Coburn amendment to require flood protection measures in Sacramento, CA before spending federal dollars to add sand to beaches in San Diego, CA.

**These three measures will be significantly weighted in our Annual Rating of Congress. We will also rate negatively any vote that increases spending or adds projects.**
